Steuben Coordinated Transportation also works with the Steuben County Department of Social Services to provide Transportation Scheduling Services, scheduling over 5,000 client transports by Steuben County drivers in 2014.

**THE IMPACT**

“This service made it easier to get the physical therapy I required to recover from a shoulder injury. I thank the various drivers I meet.”

“Mary has moved into an adult home. She is no longer able to live on her own. Her family thanks you for stepping in to help out when we were not available to take her. You folks were always respectful when her memory issues were in the way. Thank you!”

Thank you, Volunteer Drivers!
