Summer Camp Programs

Tanglewood

There's still time to sign up for summer camp! Tanglewood has availability left on a variety of our camps. So if your child would like to take part in various science experiments inspired by nature, get up close with our winged animal ambassadors or explore the woods to find their very own fossils, Tanglewood Nature Center has a camp for that!

Grant Opportunity

Human Development Small Grants Available for 2023

Groups working to address the root causes of poverty in Chemung, Schuyler, and Tioga Counties (New York) are invited to apply for a Catholic Campaign for Human Development small grant.

Proposals are sought for projects benefiting and led by low-income people working together to bring about positive economic and/or social change in their communities. These projects should address the root causes of poverty and powerlessness and can focus on areas such as environmental justice, living wage, affordable housing, food security, racial justice, and cooperative enterprises.

Catholic Campaign for Human Development small grants average \$2,000. Grant decisions are made by a local grants committee. Application materials are available on the Catholic Charities website (www.CS-CC.org/Application). The deadline for submission of the application is August 11, 2023. Grants are not available for individuals.

The Catholic Campaign for Human Development was established by the U.S. Roman Catholic Bishops as an education-empowerment-action program to combat poverty and powerlessness in the United States. Funds for grants are generated through an annual collection in Catholic parishes across the country. For more information, please visit the Catholic Charities website.

Potential Funding for Home Repairs

INHS, in collaboration with the Schuyler County Department of Planning, is building a waitlist to show the need for home repair assistance in Schuyler County for future funding applications. Please share the information with low- to moderate-income homeowners in need of health and safety repairs and/or accessibility modifications. If funding is secured, it will be available in 2024. To get on the waitlist, [fill out this pre-application intake form](#), and in the meantime, homeowners will be provided with current resources for repair assistance.

About INHS

Founded in 1976 as a partnership between residents, funders, and local government, INHS is a nonprofit community development corporation affiliated with [NeighborWorks@America](#). The INHS mission is to help people of modest incomes obtain affordable housing on a long-term basis. INHS is committed to creating energy-efficient housing and sustainable communities that benefit residents of all income levels and occupations. Its [service area](#) includes Cayuga, Chemung, Cortland, Schuyler, Seneca, Tioga, and Tompkins Counties.

Pre-Application

Funding opportunity: Risk Management: Responding to Public Health Emergencies

Applications due 6/23/23

Risk Management: Responding to Public Health Emergencies RFP

The Bureau of Health Equity and Community Engagement (BHECE) is looking for technical assistance experts who serve **NYS counties outside of New York City** to conduct trainings and TA sessions on Risk Management as it pertains to public health emergencies. Up to **three (3) awards totaling \$300,000** will be funded for this short-term project (approximately 7/1/23 – 3/31/24) Of the total funds, **\$50,000 will be awarded to a community-based organization (CBO), located within NYS, serving Nation members** living on or off Nation territory or a consultant whose priority is serving Nations whose territory falls within the borders of New York State (Nations); **\$125,000 to an organization or consultant whose prioritized population is rural communities in Rest of State (Rural); and \$125,000 to an organization or consultant whose prioritized population is non-rural communities** outside of New York City, i.e., Rest of State (non-rural).

This funding announcement, **Risk Management: Responding to Public Health Emergencies RFP**, seeks bidders to provide training and technical assistance on recognizing, preparing for, and mitigating these risks. The Risk-Management: Responding to Public Health Emergencies training and technical assistance will **be provided to awardees of the Small Wellness Mini Bid through a Learning Management System (LMS) and 1:1 sessions**. These trainings will give greater resource knowledge to the crucial, trusted awardees of the Small Wellness Mini Bid, who provide direct services to their communities. This knowledge will assist them in creating an

emergency plan to prepare them for the next public health emergency and give them the tools to continue to serve those who rely on them.

A question and answer document can be found here <https://www.healthresearch.org/wp-content/uploads/2023/06/RFP-CCH-2023-01-Risk-Management-Questions-and-Answers.pdf>. The full RFA materials and link to complete online application can be found here [RFP #CCH-2023-01 Risk Management: Responding to Public Health Emergencies - Health Research, Inc.](#)

The deadline to apply is June 23, 2023, at 11:59PM.

Sincerely,

The Bureau of Health Equity and Community Engagement

One Community, Many Services Fair

Hosted by Dormann Library

The Dormann Library is delighted to extend an invitation to you and your organization to participate in the upcoming community-focused human services fair, **"One Community, Many Services."** This event, in collaboration with the Dormann Library, aims to connect members of our community with a diverse range of direct services groups and organizations.

"One Community, Many Services" will take place on **July 20th, 2023, from 10 AM to 4 PM** at the **Dormann Library located at 101 West Morris Street Bath, NY**. As a valued member of The Institute for Human Services, we believe your organization can make a significant impact by displaying your services and engaging with community members who can benefit from your expertise.

By participating in this human services fair, your organization will have a unique opportunity to:

- Showcase your services: Set up a display booth and create an engaging environment where attendees can learn about the vital services your organization offers.
- Connect with individuals in need: Reach out to community members who may require your assistance and establish connections that can make a lasting impact.
- Build partnerships: Engage with other service-oriented organizations, fostering collaboration and creating a network of support within the community.

We envision **"One Community, Many Services"** as a platform for organizations like yours to make a difference by connecting directly with individuals seeking crucial services. Together, we can bridge the gap and create a stronger, more vibrant community.

To reserve your organization's spot at the fair and secure a display booth, please email the special projects clerk of the Dormann Library, Erik W. House, housee@stls.org. The Dormann encourages you to register as soon as possible, as space is limited.

If you have any questions or require further information, please do not hesitate to reach out to the event team at housee@stls.org.

Thank you for considering this invitation. We sincerely hope that you will join The Dormann Library at "One Community, Many Services" and contribute to the success of this important community event. Together, let's make a positive impact on the lives of those who need it most.

Community Needs Assessment Update(s)

"One-Stop Shop" - - All things data hub

The Institute provides management support, information and referral, organizational development, and research services to planners, funders, and providers serving the Southern Tier of New York State.

IHS' mission is to advance nonprofit and community partners in the region through innovative, collaborative, and responsive solutions to address community needs.

To further carry out IHS' mission, IHS will act as a repository for the region's community needs assessment reports. All information will be stored on IHS' website under the **"Community Data"** section. By having one central location for all data (hub), this will help organizations streamline collaboration and research.

If your organization has any needs assessment reports that you would like to share, please email provider@ihsnet.org.

New York State Digital Equity Survey

New York State's ConnectALL Office launched a statewide Digital Equity Survey to better understand the needs of New York residents when it comes to internet access and digital equity.

This important survey will help inform the State's investment of historic funding to provide improved internet connectivity and increase access to education, healthcare, civic engagement, economic, and other opportunities. The Southern Tier Library System is helping to promote this survey because we want to ensure that our residents' voices are heard and that the State's plan reflects the unique challenges of digital inclusion in our region.

The survey will take about 10 minutes to complete.

Can you please complete the survey? And, will you please share the survey link with others so we can do our part to help shape NY State's Digital Equity Plan and how broadband and digital inclusion funds are allocated?

Along with sharing the survey via email, if you have a Facebook page and would be willing to post information about the survey, here is a sample script that you and others could use.

ConnectALL

What's preventing you from enjoying the benefits of the internet?

TAKE THE NEW YORK STATE INTERNET ACCESS SURVEY!

ConnectALL at Empire State Development wants to hear from YOU about your experiences accessing and using the internet to help us close the digital divide in every corner of the state.

We encourage you to complete this 10-minute online survey (available in 12 languages) to ensure that your experience is included in the State's plan for Digital Equity.

Please share with your friends, colleagues, and constituents!
