

Community Education

Hornell Gardens

434 Monroe Ave., Hornell NY 14843

1st Wednesday of every month, 1:00-2:00pm

Wednesday, Jan 3: Understanding and Responding to Dementia-Related Behavior

Join us to learn to decode behavioral messages, identify common behavior triggers, and help intervene with some of the most common behavioral challenges of Alzheimer's disease.

Wednesday, February 7: The Basics: Understanding Alzheimer's Disease

Alzheimer's disease is not a normal part of aging. If you or someone you know is affected by Alzheimer's disease or dementia, it's time to learn the facts. This program provides information on detection, causes and risk factors, stages of the disease, treatment, and much more.

Wednesday, March 7: Effective Communication Strategies

Explore how communication takes place when someone has Alzheimer's, learn to decode the verbal and behavioral messages delivered by someone with dementia, and identify strategies to connect and communicate at each stage of the disease.

Registration is required by calling

1.800.272.3900

This program is funded in part by a grant from the New York State Department of Health.
